Let us sing a lull-a- by
Sing until their fingers fall

To the heads of state,
from the fateful button

C

They are really nothing more than
and they put their guns and tanks a-
way with other toys, And re-

$\text{♩} = 112$ C 3

Keep on- keepin' on working for peace. We gotta
keep on- keepin' on till war has ceased. We gotta
keep on- keepin' on loving the Earth. We gotta
keep on- keepin' on for all our worth. We gotta
keep on- keepin' on speaking our truth. We gotta
keep on- keepin' on joining with youth. We gotta
keep on- keepin' on singing our songs. We gotta
keep on- keepin' on rightin' the wrongs. We gotta

Raise a half step every third verse until it gets too high, then start coming down a half step on We gotta keep on etc, repeated until back at tonic.

Improvise and make up your own words.
