Dear Comrades:

As members of the Labor Committees, the hegemonic socialist force in North America and Western Europe, we are sending you under separate cover two copies of our newspaper, New Solidarity, which is also published in German, French, Italian, Spanish, and Swedish. We would like to set up an exchange with you whereby we will send you our literature regularly and you will send us yours.

Please let us know what you think of such an arrangement.

We await your reply. Feel free to respond in either English or Turkish.

Sincerely,

Gül Orhon
