We received the copies of your report "Turkey behind the facade". Thanks for your concern. Only there are two unreadable lines.

Page 2- Second line from the top

Page 3- Fifth line from the top.

If you could repeat these lines for us we'd appreciate.

Could you also inform us if you have already forwarded a copy to Mr.Çağatay Anadolu in İstanbul-Turkey. If not we'd pass him a copy by telefax immediately, so that it could be made known to press.

Thanking once again for your close concern,

With my best regards,

Ahmet Kaçmaz
