Dear friends ,

The third central meeting of our Federation will take place at Münster (North Rhine Westfalia, West Germany) from 20th to 22nd february.

The TDF is convinced that the common fight carried out in Western Europe by all Turkish workers in solidarity with the workers of the host countries and other foreign colleagues will lead to positive results. Our aims will be achieved by unified action and firm solidarity of all democratic, progressive and socialist forces.

In confirmation of our strong will to fight for these objectives, we, the TDF , would be glad to have you at our central meeting as guest of honour.

Your sincerely

(General Secretary)
